PRACTICAL:- 1 *(FONT SIZE 16)*

AIM : To select the project title and assign requirement engineering to the project title. ***(FONT SIZE 14)***

1. Selected Project : *(FONT SIZE 12)*

Project Name: SELECTED PROJECT DETAILS (FONT SIZE 12)

2. Objectives : *(FONT SIZE 12)*

- IN BULLETS

3.Technology Used : *(FONT SIZE 12)*

Component	Technology

4.Requirement Engineering : *(FONT SIZE 12)*

5.Functional Requirements : *FONT SIZE 12)*

Functional requirements describe what the PROJECT should do.

ID	Requirement

6.Non-Functional Requirements :

Non-functional requirements describe how effectively the system should operate.

ID	Requirement

7.Requirement Engineering Activities :

Activity	Work Performed

8.Assignment of Activities :

Member/Role	Responsibility

9.Major Modules :

IMAGE OR FLOW CHART OF THE PROGRAM MODULE

10.Result : (*FONT SIZE 14)*
